Our NEXT is NOW!

In the Fall of 2015, Calvary Church relocated to our current location on 8+ acres, knowing then that if we wanted more land, we could reach out to the landowner we purchased the initial land from, who was open to selling additional land in the future.

God has been so faithful in growing us over the past several years, from a Sunday morning attendance average of 171 people in 2023 to 198 currently. God’s presence is in our services and ministries; lives are being healed and transformed! We knew that within our current footprint, we could add one building add-on, but future additions would be difficult without more land.

In our Special Business Meeting on Sunday, September 20th, as a congregation, we approved by a vote of 87-1 in favor of the purchase of three land parcels from the landowner’s family estate. The parcels are 21.24 acres behind and just east of our current property, W1410 (4.96 acres), and W1470 (1.99 Acres) on State Highway 64. This opportunity lets us dream and build for the future with vision and confidence.

As shared in the business meeting for those present, we will share a stewardship effort to replenish our building funds, cover expenses to clear and prep one of the parcels for future development and help us keep building for our next addition. Our next step in the opportunity God has given us is right in front of us. In early October, we will share more about our “Our NEXT is NOW” stewardship effort and ask you to fast and pray about what God may be speaking to you to give to this special campaign.

We are living in a special season in Calvary Church’s life. Our next steps of faith as a church ARE right now!

See you Sunday!
